TERMINAL DISCLAIMER (37 CFR 1.321(c))

SIR:

Your Petitioner, IPF, Inc., represents that it is the sole owner of the entire interest of the above-identified application.

Your Petitioner hereby provisionally disclaims the terminal period of any patent issuing on the above-referenced application that would extend beyond the expiration of the full statutory term of U.S. Patent No. 5,918,214. Your Petitioner also hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to such patent is the same as the legal title to U.S. Patent No. 5,918,214, and that this agreement shall run with any patent so granted on the above-referenced application, and shall be binding upon the grantor, its successors, and assigns.

Your Petitioner does not disclaim any terminal part of any patent granted on the above-referenced application prior to the expiration date of the full statutory term of said U.S. Patent No. 5,918,214 in the event that such patent later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 C.F. R. Section 1.321(a); has all claims canceled by a reexamination certificate; or is otherwise terminated prior to the expiration of its full statutory term, except for a separation of legal title as stated above.

The Commissioner is hereby authorized to charge the requisite disclaimer fee of \$55.00 for a small entity to Deposit Account 16-1340. A copy of this document is enclosed herewith.

Respectively submitted,

Dated: October 17, 2003
